(+) Package that can be combined with any other.

SAFETY EQUIPMENT

RIDE FEARLESS, STAY PROTECTED

Roll cages are engineered to shield occupants in rollovers and collisions, delivering maximum protection together with helmets and 4-point harnesses. Safety gear inspires confidence during extreme off-road adventures where protection matters most.

STORAGE SOLUTIONS

ORGANIZE YOUR ADVENTURE

Cargo racks, tool holders, overhead bags, rear storage bags, and door bags provide versatile storage options. Weatherproof construction keeps gear protected, while quick-access compartments keep essentials close at hand. Transform unused space into organized adventure capacity for extended exploration.

WINCH SYSTEM

CONQUER EVERY OBSTACLE

Heavy-duty winches available from 2,500 lb to 4,500 lb capacity, with 6,000 lb options delivering ultimate recovery power. Features include an ergonomic clutch handle, rugged all-steel gears for enhanced torque, and a robust design for long-lasting durability. Essential equipment for serious off-road challenges.

PROTECTION GEAR

ARMOR FOR THE EXTREME

Storage covers fit snugly to guard against dust, dirt, and debris. Skid plates and bumpers protect vital components, minimizing damage from rocks and impacts. LED lighting systems illuminate challenging terrain, while reinforced guards deflect obstacles on the toughest trails.
