SAFETY EQUIPMENT

ADVENTURE WITH CONFIDENCE

Advanced safety harnesses and reinforced cage extensions provide maximum protection during extreme terrain adventures. Premium 4-point harnesses lock you in securely while strengthened roll cage components shield against impacts. Professional-grade equipment designed for riders who push limits. When adventure calls, answer with absolute confidence in your safety gear.

STORAGE SOLUTIONS

PACK MORE. EXPLORE FURTHER.

Door bags, cargo boxes, and cooler mounts maximize adventure capacity without compromising performance. Weatherproof construction protects gear through dust, mud, and water crossings. Quick-access compartments keep essentials within reach during rides. Transform dead space into functional storage for longer adventures and endless exploration possibilities.

WINCH SYSTEM

UNSTOPPABLE RECOVERY POWER

Heavy-duty electric winch delivers 4,500 lbs pulling power when terrain fights back. Synthetic rope with wireless remote control operation. Waterproof sealed solenoid withstands all-weather conditions while maintaining peak performance. Essential for serious off-road adventures where getting stuck isn't an option. Turn impossible situations into victories.

PROTECTION GEAR

ARMOR FOR THE UNFORGIVING

Heavy-duty skid plates, rock sliders, and bumpers create an impenetrable shield against nature's assault. LED light bars illuminate darkest trails while reinforced components deflect rocks, stumps, and debris. Built for maximum protection with minimal weight addition. When terrain gets serious, your protection gets stronger.
